c. That field dissemination of the substance of [redacted] in [redacted] 25X1
pursuance of the MUST KNOW principle, will be disseminated by extraction
whether that be in the ZI or to the field,

KLYUCHI

3. The Army proposal for additional coverage south of the KLYUCHI area along the KAMCHATKA River was considered to be of lower priority than the triangle to the north of KLYUCHI, coverage of which should not be jeopardized by the Army proposal. However, the area along the KAMCHATKA River to the south was considered by the Army, Air Force, and Navy to be of high importance and should be covered if operationally feasible.
